

Healing From Within Policies

It is my distinct pleasure to work in *partnership* with you regarding issues of your health and wellness. It is truly my philosophy that my practice exists for my patients, bottom line, and I view you as a very important participant in this process. In my desire to serve you best I have developed some policies that I want you to be aware of.

Cancellation:

I know and understand fully that “life happens” (despite the plans we make ☺). If you are in a situation where you need to cancel an appointment or if you decide not to continue in this process with me, a 48-hour notice is appreciated. There will be a \$55.00 cancellation fee with appointments cancelled less than 48 hours and a full fee will be charged if no notice is received.

Payment:

All payments are expected at the time of service. Cash or check is preferred but I do accept Visa and MasterCard. I do believe that access to this type of care is a right and not a privilege. If there are extenuating circumstances that might prevent full payment at the time of our visit, please inform me and we will work something out.

Phone and Email Usage:

In an attempt to contain my practice and the people I serve I request that contacting me between visits be kept to a minimum. I do value being available for occasional questions or needs on a particular matter that cannot wait until our follow up and I will always respond to your request. However, if the matter is too extensive or is a new condition, an office or phone visit will need to be scheduled.

Thank you! My warmest regards, *Holly Lucille, ND, RN*
